## Summary

---

Full Stack Web Developer specializing in Java development, with a strong passion for problem-solving and adapting to modern technologies. Skilled in communication, creativity, and collaboration, with a keen eye for detail, critical thinking, and user-centered design. Self-motivated and adaptable, with excellent time management and an open-minded approach to learning new tools and tackling complex challenges. Thrives in team environments while delivering high-quality, efficient, and scalable solutions.

## Projects

---

### **Shopping Cart** | *HTML, CSS, React, Spring Boot*

- Developed an e-commerce website with a shopping cart system allowing users to browse products
- add/remove items, update quantities, and view the total price in real time.

### **Journal Web App** | *Spring Boot, MongoDB Atlas*

- User Management: Supports role-based user creation with roles such as User & Admin.
- Role-based Access: Admins can view & manage all user journals and create other admin accounts, while Users can create, update, delete & access their own journal entries.
- Authentication & Authorization: Secure login system implemented using Spring Security to ensure protected access to all routes and resources.

### **Employee Management System** | *HTML, CSS, React, Spring Boot, MySQL*

- Developed a full stack app for managing employee data with CRUD operations.
- Integrated React frontend with Spring Boot backend for efficient data handling with responsive UI.

## Technical Skills

---

**Languages:** Java , Javascript

**Frontend:** HTML, CSS, React

**Backend:** Spring Boot

**Database:** MySQL, MongoDB Atlas

**Developer Tools:** Git, Github, Postman, Maven

## Education

---

### **Gurukul Kangri (DU) FET**

Haridwar, India

*Bachelor of Technology in Computer Science and Engineering*

*Nov. 2022 – 2026*

### **D.A.V. Public School**

Tanda, India

*Intermediate*

*April. 2020 – Mar 2021*

### **D.A.V. Public School**

Tanda, India

*High School*

*April. 2018 – Mar 2019*

## Achievements and Certifications

---

- Qualified GATE 2025 in Computer Science.
- Spring Boot Job Simulation Certificate by J.P. Morgan.
